6.0 PROPOSAL EVALUATION AND AWARD OF CONTRACT

6.1 Evaluation Criteria.

- a. The PCCA, *in its sole discretion*, will use a variety of criteria, including, without limitation, the following criteria, which are not necessarily listed in order of importance, to evaluate the Proposals received:
 - i) General feasibility, effectiveness and clarity of the Proposal and its responsiveness to the RFP requirements.
 - ii) Proposer's demonstrated experience in delivering the required services.
 - iii) Proposer's organizational resources, depth of resources, and financial stability and capability.
 - iv) Creative or innovative and cost effective approach to service delivery, pricing, and compensation.
 - v) Initial pricing, pricing for each year of the term of the contract, and overall economic advantages.
 - vi) Evidence of Proposer's service reliability, customer support, and on-time delivery of services.
 - vii) Proposer's compliance with the PCCA's Affirmative Action Policy.
 - viii) Implementation capabilities.
- b. The PCCA may, *in its sole discretion*, after full and careful consideration, accept the Proposal which best meets the PCCA's requirements. The PCCA is not required to make its selection based solely upon the lowest proposed pricing schedule.

6.2 Evaluation Process. Upon receipt of the Proposals, PCCA may short-list the Proposers based on evaluation criteria including, but not limited to, that cited in Section 6.1 of this RFP. The PCCA reserves the right to then interview each of the short-listed Proposers and may require presentations to be made to PCCA by such Proposers. The proposal review and selection process is as follows:

Step One – Receipt of RFP's – RFQ's from Proposers will be received at the location on the day and at the time indicated in this RFQ.

Step Two – Technical, Affirmative Action Review - PCCA will initially review and evaluate the Technical Submittals and Affirmative Action Responses. PCCA may require all or some Proposers participate in an oral interview during this initial process. The general purpose of this session is to clarify specific aspects of the above submittals. Although the oral interview itself will not be a basis for award; responses provided in the interview will be considered. Absence of an interview does not indicate lack of interest of PCCA in a proposal.

Step Three – Shortlist -The PCCA will evaluate all proposals on the basis of technical merit and Affirmative Action response. PCCA will evaluate whether the technical portion of the Proposal provides the details of the necessary technical and personnel support, and the manner in which it will fully implement and satisfy all requirements of the Project. The Authority will also evaluate whether

the Proposer's Affirmative Action Plan achieves minority and female participation in subcontracting and employment opportunities at substantial and meaningful levels and whether Proposer's satisfactorily demonstrated their best efforts as described in the Affirmative Action Policy. PCCA will notify selected Proposers in writing of its selection for further consideration of their proposal.

Step Four – Presentations of Shortlisted Proposers - Selected Proposers will be requested to participate in a one hour meeting with PCCA. The agenda will provide for up to a thirty (30) minute presentation by the Proposer and the remainder as a question and answer period. PCCA does not require or expect the Proposers provide elaborate presentations or add information beyond their initial proposal. PCCA may request Proposers explain the basis of their cost/pricing for proposal.

Step Five – Cost Review - PCCA will review all the Shortlisted proposals and select the Proposers that it considers in its best interest. During the PCCA deliberations, PCCA may request further information from Proposers. Where similar Proposals come from several Proposers, PCCA may decide to engage in negotiations with only one, several or all Proposers submitting similar Proposals. The cost/price portion of the Proposal will be evaluated separately. It will be utilized to evaluate the Proposer's understanding of the requirements of the RFP and to determine the most probable cost to the Authority. The cost/price portion will be evaluated for reasonableness and completeness. The Authority will evaluate the reasonableness of each Proposer's cost/price Proposal, determine whether the proposed cost/price is consistent with the proposed technical approach and indicates a clear understanding of a sound approach to satisfying the requirements in the scope of services set forth in Section.

Step Six – Negotiation – PCCA may undertake negotiations with several Proposers for similar or different Proposals. In either case, PCCA may request “final and best offers”. Based upon these negotiations, PCCA will offer a “Notice of Award” to the selected Proposer(s).

Step Seven – Award of Contract – Upon the completion of the Proposal Evaluations the PCCA at its sole discretion may award a Contract for this RFP.
