Eames® Aluminum Group Executive Chair

Designer

Charles and Ray Eames

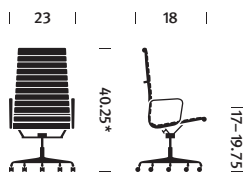

Original Production Date

1958

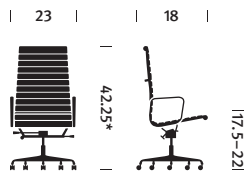

Warranty

12 years

At once classic and contemporary, this design by Charles and Ray Eames features a high back, a tilt-swivel, and height-adjustable 5-star base with casters. Originally conceived as outdoor furniture, it is now available in a wide array of finishes and materials to support conference rooms, executive offices, and home settings alike.
