

ADDENDUM #2
for
BID – Annex UPS Replacement
(4/25/2024)

Questions:

- 1) Where is the location for the new IDF panel? It is not shown on the drawings. **Answer: The new IDF panel is located on the second level (one level above UPS room). See diagram below. The wiring to this panel and the panel itself will be furnished and installed on another project/bid. You do not need to include the cost for that cable run or panel on this UPS Replacement bid.**
