

# ADDENDUM #1

FOR

BID – AV SPEAKER PURCHASE

2/25/2022

## Clarifications:

- 1) In lieu of paper copies, bids may be emailed to Lisa ([ldobbertin@paconvention.com](mailto:ldobbertin@paconvention.com)) and Steve ([sshepper@paconvention.com](mailto:sshepper@paconvention.com)). Please make sure you receive a response from us saying we received it or call to verify it was received. We have had problems in the past with emails being blocked or going to spam. Contact Lisa if you have any questions (267-272-3867). Bid results will be emailed to all bidders the next day.

## Questions:

- 1) Is the Convention Center requiring a Bid Surety Bond for the Speaker Box Sale purchase? We do see a reference to a Bid Bond in the package documentation. A Bid Bond is not typical in a box sale situation. **Answer: No. Bid bond is not required.**
