1) GENERAL INFORMATION

a) Introduction

- i) The Pennsylvania Convention Center Authority ("PCCA" or "the Authority") is the entity responsible for the Pennsylvania Convention Center ("Center"). PCCA is a body corporate and politic, created and existing as an agency and public instrumentality of the Commonwealth of Pennsylvania. Pursuant to that certain Management Agreement between Pennsylvania Convention Center Authority and ASM GLOBAL dated as of November 1, 2013, ASM GLOBAL is designated as the Manager of the Pennsylvania Convention Center. The Pennsylvania Convention Center is located in Philadelphia on a site bounded by 11th, Broad, Arch and Race Streets plus the former train-shed north of Market Street and East of 12th Street. The Center consists of approximately 2.2 million square feet including: Exhibit halls totaling 679,000 square feet of exhibit space, 2 Ballrooms (32,000 square feet and 55,400 square feet), 79 Meeting Rooms, a 34,960 Square foot Grand Hall and a 23,400 Square foot Atrium.
- ii) The purpose of this Request for Proposal ("RFP"), including all exhibits, schedules, addenda, drawings, plans and specifications related hereto issued by ASM GLOBAL on behalf of the Pennsylvania Convention Center Authority, is to solicit proposals from qualified service provider to provide Security and Camera System Maintenance at the Center as described in this RFP.
- iii) The successful Proposer must demonstrate its capability to adequately meet the requirements of this RFP. This RFP contains information and requirements for the Proposer to prepare and submit proposals for Security and Camera System Maintenance. This RFP, with any addenda, contains the only instructions governing the proposals and material to be included therein. The Proposer must be in a position to commence provision of services at the Center upon execution of a services contract. Proposals, including all documents, (hereinafter "Proposal" or "Proposal Documents") submitted by each Proposer, should be inclusive of all services and/or equipment required, plus any additional related services and/or equipment the Proposer believes are required to ensure efficient, flexible and cost-effective delivery of services. The outline of services set forth in **Exhibit A** hereof is an outline of the scope of work required. Any change in the cost by reason of any alternative or additional services must be separately identified to the extent feasible.
- iv) An initial fact-finding inquiry was made of a number of vendors who provide the services described in this RFP to determine the anticipated spend associated with the contract for these services. Those vendors were given information about the building and provided the opportunity to visit the site in order to estimate pricing so the proper public procurement process could be initiated. Any information received from any vendor during the initial research process will not be considered as part of this RFP process.

5) PROPOSAL EVALUATION AND AWARD OF CONTRACT

a) Evaluation Criteria.

- i) ASM GLOBAL, in its sole discretion, will use a variety of criteria, including, without limitation, the following criteria, which are not necessarily listed in order of importance, to evaluate the Proposals received:
 - (1) General feasibility, effectiveness and clarity of the Proposal and its responsiveness to the RFP requirements.
 - (2) Proposer's demonstrated experience in delivering the required services.
 - (3) Proposer's organizational resources, depth of resources, and financial stability and capability.
 - (4) Creative or innovative and cost-effective approach to service delivery, pricing, and compensation.
 - (5) Initial pricing, pricing for each year of the term of the contract, and overall economic advantages.
 - (6) Evidence of Proposer's service reliability, customer support, and on-time delivery of services.
 - (7) Proposer's compliance with the PCCA's Anti-Discrimination Policy.
 - (8) Implementation capabilities.
- ii) ASM GLOBAL may, in its sole discretion, after full and careful consideration, accept the Proposal which best meets the requirements. ASM GLOBAL is not required to make its selection based solely upon the lowest proposed pricing schedule.

b) Evaluation Process. Upon receipt of the Proposals, ASM GLOBAL may short-list the Proposers based on evaluation criteria including, but not limited to, that cited in Section 5.1 of this RFP. ASM GLOBAL reserves the right to then interview each of the short-listed Proposers and may require presentations to be made by such Proposers. The proposal review and selection process is as follows:

- i) Step One – Receipt of RFP’s. RFP’s from Proposers will be received at the location on the day and at the time indicated in this RFP.
- ii) Step Two – Technical, Financial, and Anti-Discrimination Review. ASM GLOBAL will initially review and evaluate the Technical Submittals, Financial Documents, and Anti-Discrimination Responses. ASM GLOBAL may require all or some Proposers participate in an oral interview during this initial process. The general purpose of this session is to clarify specific aspects of the above submittals.
 - (1) Although the oral interview itself will not be a basis for award; responses provided in the interview will be considered. Absence of an interview does not indicate lack of interest in a proposal.
- iii) Step Three – Shortlist. ASM GLOBAL will evaluate all proposals on the basis of technical merit and Anti-Discrimination response. ASM GLOBAL will evaluate whether the technical portion of the Proposal provides the details of the necessary technical and personnel support, and the manner in which it will fully

implement and satisfy all requirements of the Project. ASM GLOBAL will also evaluate whether the Proposer's Anti-Discrimination Plan achieves minority and female participation in subcontracting and employment opportunities at substantial and meaningful levels and whether Proposer's satisfactorily demonstrated their best efforts as described in the Anti-Discrimination Policy. ASM GLOBAL will notify selected Proposers in writing of its selection for further consideration of their proposal.

- iv) Step Four – Presentations of Shortlisted Proposers. Selected Proposers will be requested to participate in a meeting with ASM GLOBAL. The agenda will provide for a presentation by the Proposer a question and answer period. ASM GLOBAL does not require or expect the Proposers provide elaborate presentations or add information beyond their initial proposal. ASM GLOBAL may request Proposers explain the basis of their cost/pricing for proposal.
 - v) Step Five – Cost Review. ASM GLOBAL will review all the Shortlisted proposals and select the Proposers that it considers in its best interest. During the ASM GLOBAL deliberations, ASM GLOBAL may request further information from Proposers. Where similar Proposals come from several Proposers, ASM GLOBAL may decide to engage in negotiations with only one, several or all Proposers submitting similar Proposals. The cost/price portion of the Proposal will be evaluated separately. It will be utilized to evaluate the Proposer's understanding of the requirements of the RFP and to determine the most probable cost. The cost/price portion will be evaluated for reasonableness and completeness. The Proposers' proposed total estimated cost/price shall not be controlling in the selection of the Proposer with which ASM GLOBAL will negotiate a contract for the services described in this RFP. ASM GLOBAL will evaluate the reasonableness of each Proposer's cost/price Proposal, determine whether the proposed cost/price is consistent with the proposed technical approach and indicates a clear understanding of a sound approach to satisfying the requirements in the scope of services set forth in Section.
 - vi) Step Six – Negotiation. ASM GLOBAL may undertake negotiations with several Proposers for similar or different Proposals. In either case, ASM GLOBAL may request "final and best offers". Based upon these negotiations, ASM GLOBAL will offer a "Notice of Award" to selected Proposer(s) for the services described herein.
 - vii) Step Seven – Award of Contract. Upon the completion of the negotiations ASM GLOBAL and the PCCA at their sole discretion may award Contracts for the services described herein.
- c) Rights and Options of ASM GLOBAL. ASM GLOBAL reserves and may exercise one or more of the following rights and options with respect to this RFP:
- i) To reject any and all Proposals.
 - ii) To elect to award certain parts of the Scope of Services, to separate proposers or to award the entire Scope of Services to one proposer as ASM GLOBAL deems necessary.

 - xii) To negotiate an ECM with one or more than one Proposer.
- d) Request for Additional Information. Proposers shall furnish such additional information as ASM GLOBAL may request in connection with its evaluation of the Proposals.

- e) Acceptance or Rejection of Proposals.
 - i) ASM GLOBAL reserves the right to reject any or all Proposals and to seek additional Proposals, if such action is in the best interest of ASM GLOBAL and the PCCA. ASM GLOBAL reserves the right to waive any informalities and technicalities in the Proposal process.
 - ii) If for any reason whatsoever, ASM GLOBAL rejects a Proposal, the Proposer agrees that it will not seek to recover lost profits on work not performed nor will it seek to recover its Proposal preparation costs. By submitting its Proposal, the Proposer expressly states that it intends to be legally bound and accepts the limitation of remedies set forth in this Section.
 - f) Contract Award.
 - i) After ASM GLOBAL has selected a Proposer as a result of the aforesaid evaluation process, the successful Proposer shall be required to execute a Contract with the PCCA. The terms of the Proposal of the designated Proposer, to the extent accepted by ASM GLOBAL, shall be incorporated into the Contract. ASM GLOBAL and the PCCA reserve the right to revoke the designation of a Proposer as the designated Proposer at any time prior to execution of the Contract by the Proposer and the PCCA and in the form approved by the PCCA.
 - ii) The contents of the Proposal of the selected Proposer and the RFP will become contractual obligations upon execution of a contract; provided however, that the terms of any such contract shall supersede the provisions of the Proposal and the RFP to the extent the terms of the contract are inconsistent with the terms of the Proposal or RFP. In the event that either the designated Proposer does not execute the Contract as herein required or ASM GLOBAL has revoked the designation of a particular Proposer as the designated Proposer, ASM GLOBAL and the PCCA, may enter into negotiations with one or more of the other Proposers or may solicit new Proposals.
 - iii) At or prior to delivery of the signed Contract, the designated Proposer shall deliver to ASM GLOBAL the policies of insurance or insurance certificates as required by the Contract. All policies or certificates of insurance must be approved by ASM GLOBAL before the designated Proposer may proceed with the delivery of the contracted services.
- 6) MISCELLANEOUS
- a) Penalty for Non-Compliance. Proposals received after submission deadline will be disqualified. Failure to comply with the requirements of this RFP may render the Proposal, at the sole discretion of ASM GLOBAL, as unresponsive or otherwise unacceptable and may result in disqualification and the elimination of the Proposer from subsequent consideration.
 - b) Handling of Proposals. All Proposals submitted in response to the RFP will become the property of ASM GLOBAL and will not be returned.
