5 PROPOSAL EVALUATION AND AWARD OF CONTRACT

5.1 Evaluation Criteria.

- a) ASM GLOBAL, in its sole discretion, will use a variety of criteria, including, without limitation, the following criteria, which are not necessarily listed in order of importance, to evaluate the Proposals received:
- (1) General feasibility, effectiveness, and clarity of the Proposal and its responsiveness to the RFP requirements.
 - (2) Proposer's demonstrated experience in delivering the required services.
 - (3) Proposer's organizational resources, depth of resources, and financial stability and capability.
 - (4) Creative or innovative and cost-effective approach to service delivery, pricing, and compensation.
 - (5) Initial pricing, pricing for each year of the term of the contract, and overall economic advantages.
 - (6) Evidence of Proposer's service reliability, customer support, and on-time delivery of services.
 - (7) Proposer's compliance with the PCCA's Anti-Discrimination Policy.
 - (8) Implementation capabilities.
- b) ASM GLOBAL may, in its sole discretion, after full and careful consideration, accept the Proposal which best meets the requirements. ASM GLOBAL is not required to make its selection based solely upon the lowest proposed pricing schedule.

5.2 Evaluation Process.

Upon receipt of the Proposals, ASM GLOBAL may short-list the Proposers based on evaluation criteria including, but not limited to, that cited in Section 5.1 of this RFP. ASM GLOBAL reserves the right to then interview each of the short-listed Proposers and may require presentations to be made by such Proposers. The proposal review and selection process is as follows:

- 1) Step One – Receipt of RFP's. RFP's from Proposers will be received at the location on the day and at the time indicated in this RFP.
- 2) Step Two – Technical, Financial, and Anti-Discrimination Review. ASM GLOBAL will initially review and evaluate the Technical Submittals, Financial Documents, and Anti-Discrimination Responses. ASM GLOBAL may require all or some Proposers participate in an oral interview during this initial process. The general purpose of this session is to clarify specific aspects of the above submittals. Although the oral interview itself will not be a basis for award; responses provided in the interview will be considered. Absence of an interview does not indicate lack of interest in a proposal.
- 3) Step Three – Shortlist. ASM GLOBAL will evaluate all proposals on the basis of technical merit and Anti-Discrimination response. ASM GLOBAL will evaluate whether the technical portion of the Proposal provides the details of the necessary technical and personnel support, and the manner in which it will fully implement and satisfy all requirements of the Project. ASM GLOBAL will also evaluate whether the Proposer's Anti-Discrimination Plan achieves minority and female participation in subcontracting and employment opportunities at substantial and meaningful levels and whether Proposer's satisfactorily demonstrated their best efforts as described in the Anti-Discrimination Policy. ASM GLOBAL will notify selected Proposers in writing of its selection for further consideration of their proposal.
- 4) Step Four – Presentations of Shortlisted Proposers. Selected Proposers will be requested to participate in a meeting with ASM GLOBAL. The agenda will provide for a presentation by the Proposer a question and answer period. ASM GLOBAL does not require or expect the Proposers to provide elaborate presentations or add information beyond their initial proposal. ASM GLOBAL may request Proposers explain the basis of their cost/pricing for proposal.
- 5) Step Five – Cost Review. ASM GLOBAL will review all the Shortlisted proposals and select the Proposers that it considers in its best interest. During the ASM GLOBAL deliberations, ASM GLOBAL may request further information from Proposers. Where similar Proposals come from several Proposers, ASM GLOBAL

may decide to engage in negotiations with only one, several or all Proposers submitting similar Proposals. The cost/price portion of the Proposal will be evaluated separately. It will be utilized to evaluate the Proposer's understanding of the requirements of the RFP and to determine the most probable cost. The cost/price portion will be evaluated for reasonableness and completeness. The Proposers' proposed total estimated cost/price shall not be controlling in the selection of the Proposer with which ASM GLOBAL will negotiate a contract for the services described in this RFP. ASM GLOBAL will evaluate the reasonableness of each Proposer's cost/price Proposal, determine whether the proposed cost/price is consistent with the proposed technical approach and indicates a clear understanding of a sound approach to satisfying the requirements in the scope of services set forth in Section.

- 6) Step Six – Negotiation. ASM GLOBAL may undertake negotiations with several Proposers for similar or different Proposals. In either case, ASM GLOBAL may request "final and best offers". Based upon these negotiations, ASM GLOBAL will offer a "Notice of Award" to selected Proposer(s) for the services described herein.
- 7) Step Seven – Award of Contract. Upon the completion of the negotiations ASM GLOBAL and the PCCA at their sole discretion may award Contracts for the services described herein.

5.3 Rights and Options of ASM GLOBAL

ASM GLOBAL reserves and may exercise one or more of the following rights and options with respect to this RFP:

- a) To reject any and all Proposals.
- b) To elect to award certain parts of the Scope of Services, to separate proposers or to award the entire Scope of Services to one proposer as ASM GLOBAL deems necessary.

- f) To issue additional or subsequent solicitations for Proposals.
- g) To conduct investigations with respect to the qualifications of any Proposer.
- h) To change any time for performance set forth in this RFP.
- i) To waive any non-compliance of any Proposal with the requirements of this RFP.

- k) To supplement, amend or otherwise modify the terms of any proposed form of Contract which may be submitted by ASM GLOBAL to any Proposer.
- l) To negotiate an ECM with one or more than one Proposer.

5.4 Request for Additional Information

Proposers shall furnish such additional information as ASM GLOBAL may request in connection with its evaluation of the Proposals.

5.5 Acceptance or Rejection of Proposals

- a) ASM GLOBAL reserves the right to reject any or all Proposals and to seek additional Proposals, if such action is in the best interest of ASM GLOBAL and the PCCA. ASM GLOBAL reserves the right to waive any informalities and technicalities in the Proposal process.
- b) If for any reason whatsoever, ASM GLOBAL rejects a Proposal, the Proposer agrees that it will not seek to recover lost profits on work not performed nor will it seek to recover its Proposal preparation costs. By submitting its Proposal, the Proposer expressly states that it intends to be legally bound and accepts the limitation of remedies set forth in this Section.

5.6 Contract Award

- a) After ASM GLOBAL has selected a Proposer as a result of the aforesaid evaluation process, the successful Proposer shall be required to execute a Contract with the PCCA. ASM GLOBAL reserves the right to modify, amend and supplement any proposed form of Contract submitted by ASM GLOBAL to any Proposer, in any manner it deems appropriate. The terms of the Proposal of the designated Proposer, to the extent accepted by ASM GLOBAL, shall be incorporated into the Contract. ASM GLOBAL and the PCCA reserve the

right to revoke the designation of a Proposer as the designated Proposer at any time prior to execution of the Contract by the Proposer and the PCCA and in the form approved by the PCCA.

- b) The contents of the Proposal of the selected Proposer and the RFP will become contractual obligations upon execution of a contract; provided however, that the terms of any such contract shall supersede the provisions of the Proposal and the RFP to the extent the terms of the contract are inconsistent with the terms of the Proposal or RFP. In the event that either the designated Proposer does not execute the Contract as herein required or ASM GLOBAL has revoked the designation of a particular Proposer as the designated Proposer, ASM GLOBAL and the PCCA, may enter into negotiations with one or more of the other Proposers or may solicit new Proposals.
- c) At or prior to delivery of the signed Contract, the designated Proposer shall deliver to ASM GLOBAL the policies of insurance or insurance certificates as required by the Contract. All policies or certificates of insurance must be approved by ASM GLOBAL before the designated Proposer may proceed with the delivery of the contracted services.

6 MISCELLANEOUS

6.1 Penalty for Non-Compliance

Proposals received after submission deadline will be disqualified. Failure to comply with the requirements of this RFP may render the Proposal, at the sole discretion of ASM GLOBAL, as unresponsive or otherwise unacceptable and may result in disqualification and the elimination of the Proposer from subsequent consideration.

6.2 Handling of Proposals

All Proposals submitted in response to the RFP will become the property of ASM GLOBAL and will not be returned.

6.3 Cost Liability

ASM GLOBAL and the PCCA shall not, in any way, be responsible for any costs incurred by any Proposer in preparing, reproducing, distributing and presenting its Proposal.

6.4 Additional Clarification of Proposals

ASM GLOBAL may ask a Proposer to clarify in writing the technical or cost/price portions of the Proposer's Proposal at any time prior to the execution of a contract. Where permitted by this RFP, the Proposer must specifically identify and fully explain in the Proposal any exceptions to or deviations from the requirements of this RFP.
